Student Locker and Vehicle Searches

All students who enroll in a diocesan school must consent to the search of their person and personal belongings, lockers, school desks, vehicles, etc., at any time and for any reason consistent with this policy.

I. Persons and Personal Belongings

The school reserves the right to examine the contents of the student's pockets, purses, back packs, book bags, or other personal belongings when an administrator has reason to suspect they may contain inappropriate or illegal materials or items. This right of inspection is effective at all times while the student is on school premises or at a school-sponsored event.

II. Student Lockers

All lockers, school desks, cloak rooms, etc., ("lockers") made available for student use on the school premises, including but not limited to, lockers located in the hallways, physical education and athletic dressing rooms, industrial education classrooms, and art classrooms, are the property of the school. These lockers are made available for student use in storing personal effects such as clothing, coats, etc., school supplies, and personal items necessary for use at school, but the lockers are not to be used to store items which cause or could cause an injury, an interference with school purposes or an education function, or which are inappropriate or forbidden by federal or state law or diocesan or school policy or rules. The student's use of the locker does not diminish the school's ownership or control of the locker. A student may not expect to have privacy in a locker or its contents.

The school retains the right to inspect the locker and its content to ensure that the locker is being used solely in accordance with its intended purposes.

Each school shall develop rules and procedures for the inspection and maintenance of school lockers.

III. Vehicles

Parking facilities may be made available to students upon approval of the school administrators. The school, however, reserves the right to establish rules for the use of such parking facilities including the right to examine the contents of any

vehicle while parked on school premises when an administrator has reason to suspect that the contents of such vehicle may include items or elements which are in violation of school or diocesan policy, inappropriate, illegal to possess, have been stolen or lost, or present a threat to the health, safety, or welfare of students or staff.

- IV. Searches will be conducted by the administrator or administrator's adult designee in the presence of a witness.
