ALTAR SERVER

September 13, 2012

Dear Student,

Do you wish to be a server for St. Michael Parish? Yes, it is time to think about this and receive training to serve at the altar, what a beautiful privilege this will be.

So if you do desire to serve, fill out the lower portion of this letter and return it to your teacher. This may require a little effort on your part, especially when it comes to the practice sessions.

Gratefully,

Mrs. Weidner
